AGREEMENT

THIS AGREEMENT, made and entered into this 1st day of January, 2024, by and between the CLINTON COUNTY BOARD OF COMMISSIONERS, and the SHERIFF OF CLINTON COUNTY, together hereinafter referred to as “Employer,” and the Capitol City Labor Program (“CCLP”) Clinton County Sheriff’s Office Corrections Division, hereinafter referred to as the “Union.”

PURPOSE AND INTENT

The general purpose of this Agreement is to set forth the terms and conditions of employment and to promote orderly and peaceful labor relations for the mutual interest of the County, the Sheriff, and the employees in the bargaining unit covered by this Agreement.

The parties recognize that the interest of the County and the job security of the employees depends upon the County and the Sheriff’s success in establishing proper services to the County.

To these ends, the County, the Sheriff, and the Union encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

ARTICLE 1 - RECOGNITION

1.1: Collective Bargaining Unit. The Employer hereby recognizes the Capitol City Labor Program (“CCLP”) as the exclusive collective bargaining representative, as defined in Act No. 336, State of Michigan Public Acts of 1947, as amended, for all employees employed by the Employer in the following described unit:

All full-time and part-time employees of the Clinton County Sheriff’s Office classified as corrections officers, BUT EXCLUDING Sheriff, Undersheriff, Captain, Lieutenants, Sergeants, detectives, road deputies, administrative aides, cooks, clerical employees, all other part-time and seasonal employees, animal control officers, supervisors, and all other employees.

ARTICLE 2 – REPRESENTATION

2.1: Collective Bargaining Committee. The Employer recognizes a collective bargaining committee of the Union comprised of not more than two (2) employee representatives. Members of the collective bargaining committee shall act in a representative capacity for the purpose of processing grievances for employees within the collective bargaining unit as provided in the Grievance Procedure. In the absence of a collective bargaining committee member, an alternate shall act in the member’s stead. Members of the collective bargaining committee shall also meet with the County’s officials and the Sheriff for the purpose of negotiating modifications to this Agreement. The Union may also have non-employee representatives present. The Union shall furnish the Employer in writing the names of its collective bargaining committee members and alternates before they shall be recognized.

2.2: Reporting. When it is necessary for a collective bargaining committee member or alternate to leave work to handle a grievance in accordance with the Grievance Procedure established in this Agreement, the member shall first obtain permission from the Sheriff or his designee. Such permission shall not be unreasonably withheld. The collective bargaining committee member or alternate shall return to his/her job as promptly as possible and, upon return, shall immediately report to the Sheriff or shift Sergeant. A collective bargaining committee member or alternate whose duties require services outside of the Sheriff's Office shall perform his/her function in a manner that would not require return to the Sheriff's Office for the sole purpose to perform representation functions.

2.3: Lost Time. The Employer agrees to pay members of the collective bargaining committee for time spent while acting in a representative capacity during the processing of grievances and attending meetings or negotiations with officials of the Employer but only for straight time hours they would have worked on their regular work schedule.

2.4: Access to Premises. The Union shall be permitted to schedule meetings on the Employer's property so long as such meetings are not disruptive to the efficient operations of the Department. The Union shall obtain prior approval for such meetings from the Sheriff or designee. Approval shall not be unreasonably withheld or denied. The Employer further agrees that representatives of the Union shall be permitted reasonable and necessary access to the premises of the Employer with advance or concurrent notice to the appropriate Employer representative for the purposes of administration of this Agreement.

ARTICLE 3 – UNION SECURITY

3.1: A bargaining unit employee may sign an authorization for deduction of dues for membership in the Union. Such authorization shall be on a form provided by the Union. The authorization for the deduction of dues may be revoked by the bargaining unit member upon written notice to the Employer, with a copy to the Union.

3.2: The amount of dues shall be designated by written notice from the Union to the Employer. If there is a change in the amount of dues, such change shall become effective the month following transmittal of the written notice to the Employer. The Employer shall deduct the dues once each month from the pay of employees that have authorized such deductions.

3.3: Deduction of dues shall be remitted to the Union at 5195 Jet Dr., Lansing, Michigan 48911. Dues may be remitted electronically to the Union. In the event a refund is due to an employee for any sums deducted from wages and paid to the Union, it shall be the responsibility of such employee to obtain the appropriate refund from the Union.

3.4: If an authorized deduction for an employee is not made, the Employer shall make the deduction from the employee's next pay after the error has been called to the Employer's attention by the Employee or the Union.

3.5: The Union will protect, save harmless and indemnify the Employer from any and all claims, demands, suits and other forms of liability by reason of good faith action taken the Employer for the purpose of complying with this article of the Agreement.

ARTICLE 4 – MANAGEMENT RIGHTS

4.1: The Employer retains and shall have the sole and exclusive right to manage and operate the County in all of its operations and activities through its duly elected or appointed representatives. Among the rights of the Employer, included only by way of illustration and not by way of limitation, is the right to determine all matters pertaining to the services to be furnished and the methods, procedures, means, equipment, and machines required to provide such services; to determine the nature and number of facilities, departments, and their locations; to hire personnel; to establish classifications of work and the number of personnel required; to direct and control its operations; to establish, adopt, and modify the budget; to maintain its operation as in the past and prior to the recognition of the bargaining unit; to study and use improved methods and equipment and assistance for non-employee sources; and in all respects to carry out the ordinary and customary functions of the Employer, provided that these rights shall not be exercised in violation of a specific provision of this Agreement. Disputes under this subsection shall be subject to the Grievance Procedure, but shall not be subject to arbitration.

4.2: The Employer shall also have the right to promote, assign, transfer, suspend, discipline and discharge for just cause, layoff and recall personnel; to establish reasonable work rules and policies and penalties for violation thereof; to make judgments of ability and skill; to determine workloads; to establish and change schedules; to provide and assign relief personnel, provided however, that these rights shall not be exercised in violation of any specific provisions of this Agreement, and as such they shall be subject to the Grievance and Arbitration Procedures established herein.

4.3: The Union hereby agrees that the Employer retains sole and exclusive right to establish and administer without limitation, implied or otherwise, all matters not specifically and expressly limited by this Agreement.

ARTICLE 5 – GRIEVANCE PROCEDURE

5.1: Grievance Definition. For purposes of this Agreement, a “grievance” shall mean a complaint filed by an employee covered by this Agreement or the Union concerning the application and interpretation of this Agreement as written or the rules and regulations of the Sheriff.

5.2: Grievance Procedure. Grievances regarding discharge or suspension will follow Article 6, Section 6 of this Agreement. All other grievances shall be handled in the following manner:

Step I.

Written, Sergeant. An employee with a grievance shall, within seven (7) days of the occurrence or discovery of the incident which gave rise to the grievance, reduce the grievance to writing,

setting forth the facts and the specific provision or provisions of this Agreement which are alleged to have been violated, signed by the aggrieved employee and/or a Union representative. The Sergeant shall place his/her written disposition and explanation thereupon and return it to the Union representation or alternate involved within seven (7) days.

Step II.

Written, Sheriff. If the grievance is not satisfactorily resolved at Step I, it may be appealed by submitting the grievance to the Sheriff or the Sheriff's designee within seven (7) days following receipt of the Sergeant's written answer in Step 1 who shall place his written disposition and explanation thereupon and return it to the Union representative or alternate involved with seven (7) days.

Step III.

Chairperson, Human Resources Committee. If the grievance is not satisfactorily resolved at Step II, it may be appealed by submitting the grievance to the Chairperson of the Human Resources Committee of the County Board of Commissioners within fourteen (14) days following receipt of the Sheriff's written answer in Step II. Within fourteen (14) days after the grievance has been appealed, a meeting shall be held between representatives of the Employer and the Union. The Employer representatives shall be the Chairperson of the County Human Resources Committee and the Sheriff. The Union representatives shall be a member of the collective bargaining committee. Either party may have non-employee representatives present, if desired. If the meeting cannot be held within the fourteen (14) day period, it shall be scheduled for a date mutually convenient to the parties without unreasonable delay. The Employer shall place its written answer on the grievance within fourteen (14) days after the meeting and return the grievance to the Union. In order for the decision to be binding at Step III, it shall bear the signatures of the Sheriff and the Chairperson of the County Human Resources Committee. The Human Resources Committee does not have the authority to change a decision made by the Sheriff or the Sheriff's designee on disciplinary matters. The Human Resources Committee shall decide economic issues.

5.3: Arbitration Request. If the grievance is not satisfactorily resolved in Step III, the Union may request arbitration by notifying the Sheriff and the Chairperson of the County Human Resources Committee in writing within fourteen (14) days after receipt of the Employer's answer in Step III. If the Union does not request arbitration in the manner herein provided, the grievance shall be deemed to be settled on the basis of the Employer's last disposition.

5.4: Selection of Arbitrator. If, pursuant to the Grievance Procedure established in this Agreement a timely request for arbitration is filed by the Union on a grievance, the parties shall promptly select an arbitrator who shall be selected from a panel of arbitrators submitted by the Federal Mediation and Conciliation Service (FMCS) by each party alternately striking a name. The party to first strike a name shall be determined by a lot. The remaining name shall serve as the arbitrator. If FMCS no longer provides lists of arbitrators to the parties, then the parties will use

the Michigan Employment Relations Commission (MERC). The fees and expenses of the arbitrator shall be borne equally by the parties.

5.5: Arbitrator's Powers. The arbitrator's powers shall be limited to the application and interpretation of this Agreement as written. The arbitrator shall have no power or authority to amend, alter, or modify this Agreement in any respect. If the issue of arbitrability is raised, the arbitrator shall only determine the merits of the grievance if arbitrability is affirmatively decided. By accepting a case from the parties, the arbitrator acknowledges the arbitrator's limitation of authority and agrees not to decide an issue that is outside of the arbitrator's jurisdiction under this Agreement. The arbitrator recognizes that the parties are governed by certain laws of the State of Michigan and that the Employer exists for the sole purpose of serving the public and the arbitrator agrees that this Agreement shall be interpreted and construed consistent with such laws.

5.6: Grievance Form. The grievance form shall be supplied by the Union. The parties acknowledge and agree, however, that use of the Union-provided form is not a requirement for a grievance to be properly presented under this Article.

5.7: Time Limitations. The time limits established in the Grievance Procedure shall be followed by the parties hereto. If the time procedure is not followed by the Union, the grievance shall be considered settled. If the time procedure is not followed by the Employer, the Union may advance the grievance to the next step in the Grievance Procedure. The time limits established herein may be extended by mutual agreement of the parties in writing.

5.8: Time Computation. Unless specifically indicated otherwise, "days" as used in this Agreement shall mean calendar days. If the end of any time period falls on a Saturday, Sunday, or holiday defined in this Agreement, the time period shall run to the next weekday.

ARTICLE 6 – DISCIPLINARY PROCEDURE

6.1: Just Cause. The Sheriff shall not discharge or discipline a non-probationary employee, except for just cause. Progressive discipline shall take into account the circumstances surrounding the incident, the nature of the violation(s), the employee's record of discipline, and the employee's record of performance and conduct. The Union acknowledges that progressive discipline need not be utilized for major infractions. Disciplinary action shall mean written reprimand, suspension without pay, demotion, and/or discharge.

6.2: Counseling Memorandums. The Union acknowledges that counseling memorandums may be utilized by the Employer. Counseling memorandums shall not be construed as disciplinary action. A copy shall be provided to the employee. If the employee believes the counseling to be inaccurate or the action(s) or conduct characterized excusable due to mitigating circumstances, the employee may, within seven (7) calendar days of receipt of the counseling memorandum, submit a Statement of Response which shall be attached to the Employer's retained copy of the counseling.

6.3: Prior Discipline. In imposing discipline on a current charge, the Employer will not take into account any disciplinary action that occurred more than thirty (30) months previously.

6.4: Notice of Disciplinary Action. Except where notice would jeopardize an investigation, non-probationary employees shall be notified in writing by the Employer within ten (10) days of any occurrence which the Employer becomes aware which may result in discipline. Upon the disciplinary suspension or discharge of any non-probationary employee, the Employer will notify the Union in writing of the reasons therefore and will, within the same period of time, cause a copy to be issued to the employee involved.

6.5: Leaving Premises. Whenever possible, a discharged or suspended employee will be allowed to discuss the employee's discharge or suspension with a Union representative before the employee is required to leave the property of the Employer. The Employer will make available an area where the Union representative and employee may meet in private.

6.6: Expedited Grievance. Should an employee who has been discharged or suspended consider such discipline to be improper, any grievance must be filed and processed initially at Step III of the Grievance Procedure within seven (7) days after such action is taken.

6.7: Return to Station. The provisions of Section 2.2 to the contrary notwithstanding, a Union representative whose duties require services outside the Sheriff's Office shall be allowed to return to the Sheriff's Office for representation of an employee in the bargaining unit in cases involving investigative interview, discipline with time off, or discharge unless doing so would significantly interfere with the representative's immediate responsibility to complete an assignment then in progress, in which case the representative would be allowed to return to the Department for the purpose state when such an assignment was completed.

6.8: Representation. Any employee questioned during or part of any type of hearing, investigation, or interview where the employee reasonably believes disciplinary action may result shall, upon request, be permitted Union representation. Any employee may, upon request, be permitted Union representation during disciplinary proceedings. If a representative is not immediately available, the Employer shall grant the employee a reasonable amount of time to obtain Union representation prior to questioning or the disciplinary proceeding. Whenever possible, a discharged or suspended employee will be allowed to discuss the employee's discharge or suspension with a Union representative before the employee is required to leave the property of the Employer. The Employer will make available an area where the Union representative and employee may meet in private. Unless specifically described in this subsection, no substantive rights to representation are granted beyond those granted under applicable law.

6.9: Pre-Investigatory Interview Disclosure. Employees covered hereunder shall be reasonably apprised of the allegations and known basic facts of any incident prior to questioning as part of any internal investigation.

ARTICLE 7 – SPECIAL MEETINGS

7.1: Special Meetings. The Employer and the Union agree to meet and confer on matters of clarification of the terms of this Agreement upon the written request of either party. The written request shall be made in advance and shall include an agenda stating the nature of the matters to

be discussed and the reason(s) for requesting the meeting. Discussion shall be limited to matters set forth in the agenda, but it is understood that these special meetings shall not be for the purpose of conducting continued collective bargaining negotiations nor in any way modify, add to, or detract from the provisions of this Agreement. Special meetings shall be held within fourteen (14) days of receipt of the written request at a time and place which is mutually agreeable to both parties.

ARTICLE 8 – WORK STOPPAGES

8.1: No Strike Pledge. The parties to this Agreement mutually recognize that the services performed by employees covered by this Agreement are essential to the public health, safety and welfare. The Union, therefore, agrees that there shall be no interruption of these services for any cause whatsoever by the employees it represents, nor shall there be any concerted failure by them to report for duty, nor shall they absent themselves from their work, stop work, abstain in whole or in part from their full, faithful, and proper performance of the duties of their employment, nor shall they picket the courthouse or jail of the Employer. The Union further agrees that there shall be no strike, sit-downs, stay-ins, or stoppages of work, or acts that interfere in any manner or to any degree with the services of the County.

8.2: Violation of No Strike Pledge. Any employee who engages in any activity prohibited by Section 8.1 shall be subject to disciplinary action as the Sheriff deems appropriate. The Sheriff may deem discharge as an appropriate penalty for violation of Section 8.1.

ARTICLE 9 - SENIORITY

9.1: Seniority Definition. Seniority shall be defined as the length of the employee's continuous service with the Clinton County Sheriff's Office commencing with the last date of hire. The application of seniority shall be limited to the preferences specifically recited in this Agreement. Employees transferred into the bargaining unit from other positions in the County will retain their seniority for the purpose of computing retirement, accrued sick leave, vacation accrual, vacation accumulation and longevity only. For all other purposes, bargaining unit seniority will prevail.

9.2: Probationary Period. All new employees shall be considered probationary employees for a period of one (1) year, provided, however, that such probationary period shall be extended for a period of time equal to the time that an employee is absent from duty, if such period of absence is greater than fifteen (15) work days or not otherwise excused by the Sheriff. The Employer and the Union may mutually agree to extend an employee's probationary period. Upon completion of the probationary period, an employee shall be placed on the seniority list and shall have seniority dating from his/her last date of hire. The Union shall represent probationary employees for the purpose of collective bargaining; however, probationary employees may be laid off, disciplined, suspended, or terminated by the Employer at any time without regard and without recourse as to this Agreement and without recourse to the Grievance Procedure and Arbitration Procedure.

9.3: Seniority List. The Employer shall maintain a roster of employees, arranged according to seniority, showing name, rank, and date of hire. An up-to-date copy of the seniority list shall be

furnished to the Union during the first month of each year. Employees who are employed the same date shall be placed on the seniority list in alphabetical order of surnames.

9.4: Loss of Seniority. An employee shall lose seniority and the employee's employment relationship with the County for any of the following reasons:

- A. The employee resigns or quits;
- B. The employee is discharged or terminated;
- C. The employee retires;
- D. The employee has been on layoff or sick leave of absence status for twenty-four (24) months;
- E. The employee fails to return to work at the specified time upon expiration of a leave of absence, vacation, recall from layoff, or disciplinary suspension, unless otherwise excused by the Sheriff;
- F. The employee is absent from work for three (3) consecutive days without prior notice to the Sheriff, unless a satisfactory reason for such absence is given;
- G. The employee is convicted of or pleads guilty or nolo contendere to a felony or a misdemeanor punishable by one (1) year;
- H. The employee makes an intentional and materially false statement on his/her employment application, on an application for a leave of absence, or any other official police report.

9.5: Layoff. All reductions in the workforce shall be accomplished in the following manner:

- A. No permanent or probationary employee shall be laid off from the employee's position in the Sheriff's Office while any temporary or irregular employees are serving in the same position in the Department.
- B. The first employee to be laid off shall be the probationary employees in the classification affected. The next employee will be the employee with the least seniority in the classification affected, provided, however, that the remaining employees have the experience, ability, and training to perform the required work. Further layoffs from the affected classification shall be accomplished by the inverse order of seniority, provided, however, that the remaining employees have the experience, ability, and training to perform the required work.
- C. Upon being laid off from the employee's classification, an employee who so requests shall, in lieu of layoff, be demoted to a lower classification in the Department, provided, however, that

the employee has greater seniority than the employee who is being replaced and the employee has the experience, ability, and training to perform the required work. Law enforcement officers cannot bump a corrections officer, nor may corrections officers bump law enforcement officers.

D. An employee who is demoted in lieu of layoff shall be paid at the same salary step in the range of the lower position to which the employee has been demoted.

9.6: Recall. Employees who are laid off or who are demoted in lieu of layoff shall be recalled to their former classification or rank in order of their seniority when the workforce is to be increased, provided that the employee has not lost seniority.

9.7: Notification of Recall. Notification of recall from the layoff shall be sent by certified mail, return receipt requested, to the employee's last known address or hand delivered to the employee. The notice shall set forth the date the recalled employee is expected to return to work. Employees who decline recall or who, in the absence of extenuating circumstances, fail to respond within seven (7) days of the date the notice was sent/delivered shall be presumed to have resigned, and their names shall be removed from the seniority and preferred eligibility list.

9.8: Seniority and Benefit Accumulation. An employee shall retain and continue to accumulate seniority while on all approved leaves of absence unless otherwise specifically provided in one of the Leave of Absence sections in this Agreement. There shall be no duplication or pyramiding of leave benefits or types of absence.

9.9: Temporary Assignments. Temporary assignments shall be made from the roster as provided for in Section 10.5. In the event no roster exists, the temporary assignment may be made by the Employer based upon the Sheriff's needs and the employee's ability to perform the required work. If such temporary assignment exceeds thirty (30) days and the position to which the employee is assigned is a higher rate of pay, the employee shall receive the higher rate for the remainder of the duration of the temporary assignment. If a temporary assignment exceeds one (1) year, it shall be deemed to be a permanent position and will be filled in accordance with the promotional procedures as provided for in this Agreement, except that any temporary assignments made by the Sheriff due to illness or injury and/or for personnel assigned to the Metro Squad may be for a longer duration. Should an employee be temporarily transferred to the detective classification for thirty (30) or more days, the employee shall receive a pro rata clothing allowance and a department vehicle will be assigned to the employee for use, if available.

9.10: Classification Change. Notwithstanding the provisions of section 9.1, the following rules shall apply for the purposes of shift and vacation selection:

- A. In the event an employee is demoted to a lower classification at the employee's request or for disciplinary reasons and not as a result of a layoff or job elimination, only the time actually worked in such lower classification shall be credited towards seniority for purposes of vacation and shift selection.

- B. In the event an employee is involuntarily demoted to a lower classification as the result of a layoff or job elimination, seniority, for purposes of shift and vacation selection, shall be the same as the employee's seniority as defined in Section 9.1, i.e., length of continuous service with the Clinton County Sheriff's Office.

ARTICLE 10 – PROMOTION PROCEDURE

10.1: Purpose of Procedure. The purpose of this procedure is to establish a promotion system for Corrections Officers of the Clinton County Sheriff's Office as directed and approved by the Sheriff. The County and Sheriff shall determine the duties of all positions subject to this procedure and, in their sole discretion, whether a vacancy does or does not exist.

10.2: Closed Program. Promotion means to advance from a given classification to a higher paid classification. This program involves the upward movement of selected personnel from within the Department. Each promoted employee must be a current member of the Department and must meet all the eligibility rules of the Promotional Procedure. A separate promotional list will be established for each classification.

10.3: Program Weight. Scores shall be based upon the written examination and oral board. The weights assigned shall be as follows:

- A. Written Examination – 50 points. (An applicant must achieve a score of at least 70% in order to take the oral board.)
- B. Oral Board – 50 points.
- C. To qualify for promotion, all applicants must achieve a minimum score of seventy (70) points.

10.4: Oral Board. The Oral Board shall consist of three (3) members appointed by the Sheriff. One member shall be the Undersheriff and the remaining two (2) positions will be filled from outside the Department, at least one (1) of which will be a law enforcement officer of a rank higher than the position to be filled. The manner of selection of the members of the Oral Board shall be at the discretion of the Sheriff. Results of the written examination shall not be made available to the Oral Board.

10.5: Roster. For each classified position, a roster of the top three (3) candidates for selection will prevail. This means that the scores will be in consecutive order, with the Sheriff promoting from among the top three (3) scoring candidates. The roster shall provide a rolling top three (3) candidates eligible for promotion to be utilized should another vacancy occur within twelve (12) months.

10.6: Examination Period. Written and oral examinations will be given for each promotion.

10.7: Probation. Commencing the first full pay period following promotion, the promoted employee shall be paid at the step in the pay range for the new classification that reflects an increase from the employee's present rate. Employees promoted to the rank of detective or Sergeant shall be on probation for a period of one (1) calendar year immediately following promotion. During such probationary period, the Sheriff may demote the employee to the employee's former classification or the employee may request in writing to be relieved of the new classification and be returned to the employee's former classification. If an employee returns to a former classification at the employee's own request, the employee's name shall be removed from the promotion roster until the next written examination is given. If there is a demotion for any reason, the Sheriff will promote from among the remaining names on the roster as defined in Section 10.5.

10.8: Notification – Posting. Examination notices for all competitive promotion classifications shall be posted on the bulletin boards throughout the Department for a minimum of thirty (30) days prior to the examination date. Corrections Officers eligible to participate in the examination shall submit their letters of intent to participate to the Sheriff no later than fourteen (14) days prior to the examination date.

10.9: Eligibility for Promotion.

- A. Sergeant (Shift Supervisor) and Detective Division. Open to Deputy Sheriffs with three (3) years continuous employment service in the Department and a total of five (5) years law enforcement experience as a fully sworn, certified officer. Candidates must have performed road patrol duties.
- B. Jail Division. Open to Deputies who meet the following criteria: Three (3) years continuous service in the Department and five (5) years' experience in corrections.

10.10: Written Examination. The content of any written examination will be scale appropriate to the level of the position being considered. All written tests will be designated as given at a general knowledge level or other standards will be designated where the rank and position being tested warrant specialized knowledge. The Sheriff will determine where general or specialized knowledge is warranted.

10.11: Examination Procedure. Any employee or designated representative has the right to examine the results of the employee's own examination. All testing documents are confidential. They cannot be removed from the files. However, the contents of promotional documents will be made known to the Sheriff and the Sheriff's designated representatives, and the employee and their designated representative.

10.12: Outside Appointment. Subject to the procedure in this Article, the Sheriff may fill a vacancy from outside the bargaining unit if no employee has attained a passing score for the examination or the vacancy is unable to be filled because the employees subject to this procedure have failed to take the examination or declined advancement.

ARTICLE 11 – LEAVES OF ABSENCE

11.1: Personal Leave Without Pay. Employees with at least one (1) year of seniority may be granted up to six (6) months leave of absence without pay. A six (6) month extension of the leave of absence may be granted at the option of the Sheriff. If such leave exceeds thirty (30) days, then such leave shall be without accumulation of any fringe benefits predicated on length of service with the Sheriff's Office, nor shall seniority accumulate beyond that time. Requests for a personal leave shall be in writing and shall be signed by the employee and given to the Sheriff. Such requests shall state the reason(s) for the leave. Employees shall not take a leave of absence for the sole purpose of obtaining other employment and an employee who takes such employment shall be considered as voluntary quit unless such other employment is agreed to by the Sheriff.

11.2: Sick Leave. Employees covered by this Agreement shall earn and be granted sick leave with pay under the following conditions/qualifications:

A. All full-time employees will earn sick leave credits at the rate of four (4) hours for each full pay period the employee works, exclusive of leaves of absence, unless otherwise specifically provided to the contrary. Paid sick leave credits may accumulate up to a maximum of one thousand eighty (1,080) hours. Sick leave credits are accumulated at the end of the pay period and may not be used during the pay period in which they are earned. Employees who accumulate one thousand eighty (1,080) hours shall be paid fifty percent (50%) of the employee's regular, straight time hourly rate of pay for all hours of sick time in excess of the one thousand eighty (1,080). Such payment shall be made in the first payroll period of December of each year.

B. One (1) day of sick leave shall equal the number of hours the employee was scheduled to work at the employee's regular, straight time hourly rate of pay when sick leave is taken.

C. Use of sick leave will be allowed only in cases of necessity and actual illness, injury, or disability of the employee or a member of the employee's immediate family. Employees shall also be permitted, upon presentation of substantiating documentation, to use accumulated sick leave to receive medical treatment and/or attend medical appointments.

D. As a condition of any sick leave, the Sheriff may request a medical certificate setting forth the reasons for the sick leave if there is reason to believe that the health and safety of personnel may be affected or that the employee is abusing sick leave benefits. Falsification of the medical certificate or falsely setting forth the reasons for absence shall constitute just cause for dismissal.

E. Sick leave is a benefit for employees to be used in cases of illness. It is not a benefit to be converted to cash. Subject to subsection (H) below, employees whose employment status with the County ends forfeit all accrued sick leave benefits.

F. After an employee has exhausted all paid sick leave benefits, then such leave shall be without accumulation of any fringe benefits predicated on length of service with the Employer. In the event that the provision of subsection (I) is utilized, accumulation of fringe benefits predicated on length of service with the Employer shall stop at the time paid sick leave credits would have been exhausted had subsection (I) not been utilized.

G. Upon death, retirement under the Employer's retirement program, or resignation by an employee in good standing with at least twenty (20) years of continuous service at the time of resignation, an employee or the employee's estate shall receive a lump sum representing fifty (50%) percent of the employee's regular straight time hourly rate of pay times such employee's accumulated and unused sick leave credits up to a maximum payout of three hundred sixty (360) hours. If the death of an employee occurs while the employee is on duty, the employee's estate shall receive a lump sum payment representing one hundred (100%) percent of the employee's regular straight-time hourly rate of pay times the employee's total accumulated and unused sick leave credit at the time of the employee's death.

H. Notwithstanding the provisions of subsection (F) in case of a work incapacitating injury or illness for which an employee is eligible for benefits under the Employer's Sickness and Accident Insurance program or the Employer's Workers' Compensation program, accrued sick leave credits may be utilized at the request of the employee to maintain the difference between the Sickness and Accident benefits and seventy-five percent (75%) of the employee's regular salary or wage.
