Each party may have up to three (3) representatives at the special conference.

ARTICLE 21. GRIEVANCE PROCEDURE

Section 1. A grievance, under this Agreement, is a written dispute, claim or complaint arising under the terms of this Agreement and filed by an authorized representative of the Union.

Section 2. Grievances are limited to matters of interpretation or application of the express provisions of this agreement. The parties recognizing that an orderly grievance procedure is necessary agree that each step must be adhered to as set forth herein or the grievance is forfeited.

Section 3. The grievance procedure shall not apply to the retirement plan or any of the insurance plans or the payments of insurance when error or omission is that of the insurance company and not of the City of Grand Ledge.

Section 4. All grievances must be signed and dated by the aggrieved employee and his/her representative and must name the Section(s) allegedly violated. All grievances must be filed within seven (7) work days after the occurrence of the circumstances giving rise to the grievance, or seven (7) workdays from the time the employee should have reasonably known he/she had grounds for a grievance; otherwise, the right to file a grievance is forfeited and no grievance shall be deemed to exist. The definition of work days for purposes of the Article shall be Monday through Friday, excluding Saturdays, Sundays, and holidays.

Section 5. An employee having a grievance shall process it as follows:

- Step 1. The grievance shall first be submitted in writing to the employee's immediate supervisor. The supervisor will provide an answer within seven (7) work days.
- Step 2. The representative shall, within seven (7) work days after the answer of the immediate supervisor, advance the grievance to the Chief. The Chief shall, within seven (7) work days, record his/her disposition in detail on all copies of the grievance form, returning two (2) copies to the Union representative.

Step 3. Failing to resolve the issue in the second step, the Union representative shall state the reasons in writing why the answer of the Employer was not satisfactory and shall then, within seven (7) work days of the Chief's disposition, contact the City Administrator and/or his/her designated representative to arrange a meeting between the Union representative and the City Administrator and/or his/her representative to discuss such grievance. This meeting shall be scheduled to occur within ten (10) work days or at a time mutually agreed upon between the parties. If the parties in this step are unable to resolve the grievance, the City Administrator or designee shall, within seven (7) work days, provide his/her written disposition to the grievance. Then the matter may be submitted to arbitration as hereinafter provided for in this Agreement.

Section 6. Any and all grievances resolved in any step of the grievance procedure as contained herein shall be final. Grievances shall be filed and processed from one step to the next within the time limits prescribed in each of the steps. Any grievance upon which a disposition is not made by the Employer within the time limits prescribed, or any extension which may be agreed to, may be referred to the next step in the grievance procedure; the time limit to run from the date when the time for disposition expired. Any grievance not timely filed or carried to the next step by the Union within the prescribed time limits shall automatically be closed on the basis of the last disposition.

Section 7. The City shall not be required to pay back wages for periods prior to the time the grievance occurred. All claims for back wages shall be limited to the amount of wages the employee would otherwise have earned less any unemployment compensation, for personal services that he may have received, including overtime, and premium pay.

Section 8. Arbitration. Either party may request arbitration of an unsettled grievance. The party desiring arbitration must notify the other party in writing of such desire within fifteen (15) work days of the day the written disposition was given or due under the last step of the grievance procedure provided for in this Agreement. In the event that either party should fail to serve such written notice, the matter shall be considered as settled on the basis of the Employer's last answer. The parties may agree, however, to hold a pre-arbitration meeting between the City Administrator or and/or designee and the Union Representative or its designee in an attempt to resolve the grievance. After receipt of a desire to arbitrate, the parties shall attempt to agree on an arbitrator. If the parties are unable to so agree within five (5) work days or within a longer period if mutually agreed upon, either party may submit the matter to the Federal Mediation and Conciliation Service ("FMCS") requesting that an arbitrator be selected with assistance and under its rules. FMCS shall provide a list of seven (7) Michigan arbitrators. Selection of the neutral will be by the alternate striking method, with the moving party making the first strike. Grievances involving the suspension, demotion, discipline or discharge of an eligible employee may be processed through the grievance procedure as outlined herein or

appealed as provided for in the Veteran's Preference Act or any other such statutory scheme which provides for the redress of alleged grievances. Whichever procedure is elected shall be binding upon the Employer and the Union and shall be preclusive to the other remedy or remedies. The Union agrees it will only represent members of the bargaining unit in one forum, i.e., at an arbitration hearing under the terms of this Agreement or a Veteran's Preference Proceeding.

Section 9. The parties understand and agree that in making this Agreement, they have resolved for its term all bargaining issues which were or could have been made the subject of discussion. The arbitration forum herein established is intended to resolve disputes between the parties only over the interpretations or application of the matters which are specifically covered in this Agreement.

Section 10. The arbitrator shall have no power to add to or subtract from or modify any of the terms of this Agreement or any supplemental agreement. The arbitrator shall have no power to establish wage scales or rates on new or changed jobs, or to change jobs, or to change rates unless it is provided for in this agreement.

Section 11. The award of the arbitrator shall be based exclusively on evidence presented at the arbitration hearing, and the award under no circumstances shall be based on other extra contract matters not specifically incorporated in this agreement.

Section 12. The expenses of the arbitrator shall be shared equally by the parties. Each party shall make arrangements for and pay the expenses of witnesses which are called by them.
